Charging Case Trolley 15 Tablets Plus

Securely store and charge up to 15 tablets

Ready to charge in no time: open the trolley, plug the power cord into the wall, connect the matching USB cable to your devices - done. USB-C cables supplied provide flexibility and angled plugs prevent cable clutter. LED indicators next to the USB ports show charging status: green: charging complete, red: charging in progress. To protect the internal power supply from overheating, the trolley is equipped with a powerful and quiet fan. The trolley is waterproof and dustproof to IP67 and has a robust, durable ABS case with four lockable latches for maximum device protection. Durable castors and an extendable telescopic handle make it easy to move between locations. Foam padding on the inside also protects the tablets from scratches and impact damage.

CHARACTERISTICS

Est. in Germany 1992

SPECIFICATIONS

Item Code	D31898-V2
EAN Code	7640389019502
Color	black
Product Size	670.0 x 350.0 x 500.0 mm
Material	Plastic
Weight	18.5 kg
Warranty	24 months
