

iSeries 0907-4 Three Mic Case

SKU: 3i-0907-MC3

Description

The 3i-0907-MC3 allows 3 mics to be stored horizontally. Each microphone cutout measures 1.5" wide by 6.75" long with two perforated removable foam pieces, one located on each end allowing microphone sizes up to 8.5" in length. By removing the perforated foam piece near the grill of the microphone you can change the shape from being round to square. This will accommodate other popular hand held microphones with square style grills such as the Sennheiser and Electro Voice mics. The 3I-0907-MC3 case measures 9" x 7" x 4" deep and is the most compact 3-mic case on the market. The case has convoluted foam in the lid for a compression fit and is covered by SKB's Lifetime Warranty.
