Vertical rechargeable wireless mouse - ERGO INFINITE

WHEEL DISENGAGED INFINITE

Rechargeable wireless mouse with INFINITE declutch wheel. Scroll ultra quickly by launching the wheel.
Navigate through your large documents easily and quickly, without having to scroll endlessly to reach the bottom of the document.
Work comfortably and protect your wrist thanks to its 63 vertical tilt, for a natural grip, without twisting.
Use your mouse in Bluetooth or take advantage of its simple Plug & Play connection with its USB-A dongle. Plug in and navigate instantly.
It has two easily accessible shortcut buttons on the side, to access the previous or next page, as well as an instant return to the desktop shortcut.
Its automatic sleep mode extends the battery life of your mouse when it remains inactive for a few minutes.
Excellent battery life thanks to its 500 mAh battery. Compatible with any device with a USB-A port or a Bluetooth connection (Mac, PC, tablet, etc.).
Compatibility mode optimized for Mac, with compatibility of previous and next shortcuts in Finder navigation for example.
