Expand Your Options

Not staying in one place? Bring anything you need when you're commuting or traveling with a comfortable backpack that adapts to you. Need more space? Just unzip and expand up to 20% capacity. With that much space, you're good to go for whatever work or life gives.

Pockets for Days

With space for up to a 16" laptop and your other devices in dedicated compartments, this backpack keeps you organized and ready for anything--work, life or travel. Interior and exterior slip and zip pockets simplify access while a cable pass-through and exterior USB-C® port offers convenient charging.

Designed with purpose

Keep your devices protected. The exterior material of the backpack contains 100% recycled plastic, which means there's 9 less plastic bottles out there[1]. In addition to being water-resistant, each backpack is made from durable, easy to clean sanitizable material[2].

Sustainability in action

More Secure. Less Worry.

Commute or travel easy knowing your office in a bag is safe with a tracker pocket to store your tracking device[3], RFID-blocking pocket to keep your data safe from digital pickpockets, and a lockable notebook compartment with a durable, double-coil zipper.
