SD-10 (ECSP)

DATASHEET / BROCHURE

A portable colour measurement device that is accurate, easy to use and conveniently portable.

Elevate your colour
View colour on a whole new level with the full-featured, portable Epson SD-10 Spectrophotometer, combining accuracy and speed to give you the colour information you need to make critical colour decisions. This easy-to-use device measures colours accurately, consistently and quickly.

}
**Its compact size makes it easy to carry, and its embedded battery allows you to take measurements virtually anywhere, anytime. Thanks to the built in Bluetooth® connectivity, the Epson Spectrometer mobile app[1]
, and workflow integration, the SD-10 can help you elevate your colour capabilities.**

{b
The SD-10 allows for easy integration with Epson Edge Print, directly measuring and replacing colours within the print workflow; connect via Bluetooth or USB.

}
You can build colour libraries by using the mobile app to create colour palettes, find similar pantone colours and record measurements. SD-10 gives you colour confidence, by using the mobile app to identify whether your Epson printer, media and ICC profile can reproduce a measured colour.

{b
SD-10 (ECSP) B41CK17301B0 additionally comes with an alignment guide B42B900201 and cover B42B900101 as well as a five-year warranty.
