Description

The equip® 17"-32" Dual Monitor Desk Mount Bracket with a gas spring structure is a dynamic solution for enhancing your workspace. Designed to accommodate two monitors ranging from 17 to 32 inches in size, this mount offers a user-friendly gas spring system that enables effortless height adjustments, tilt angles, swivel, and rotation. This allows you to easily position your monitors for ergonomic comfort and optimal viewing angles.

The gas spring structure provides smooth and fluid motion, promoting quick transitions between sitting and standing positions. This bracket not only maximizes desk space but also helps reduce strain on your neck, eyes, and back. It's an excellent choice for offices, home workstations, and creative setups.

The integrated cable management system keeps cords organized, maintaining a tidy workspace. With its compatibility, adjustable features, and innovative gas spring design, this dual monitor desk mount bracket elevates both productivity and well-being.
