WorkForce DS-30000

DATASHEET / BROCHURE

Take control of scanning with this compact, 70ppm, heavy-duty A3 sheetfed scanner with advanced paper protection and image enhancement technology.

Epson's first compact A3 desktop scanner supports busy office environments. It features a high-capacity feeder, wide media scanning capabilities and a touchscreen front panel that puts users in control to scan up to 30,000 pages per day.

Versatile
Thanks to Epson's new Complex Production Architecture, the DS-30000 has been engineered to the highest standards to meet the demands of busy departments. High in capacity and with a robust design, the Automatic Document Feeder (ADF) has the ability to scan the widest range of media in its class[1]. Scan passports[2], passbooks, ID cards and large-format documents.

Scanning made simple
The DS-30000 simplifies scanning tasks, putting users in control with a 2.7" backlit touchscreen that can display pre-defined scan jobs and highlights machine cleaning and maintenance requirements with easy-to-follow, step-by-step instructions.

Safe and secure
The inbuilt advanced paper-protection sensors also prevent documents from being damaged and ultra-sonic sensors ensure all documents are scanned, maintaining data integrity. For optimum performance, the DS-30000 comes with Document Capture Pro 3.0 software with inbuilt OCR functionality, supporting crisp, clear images.

Seamless integration
A wide range of drivers, including TWAIN, ISIS, WIA, SANE, and ICA, allow for easy integration into most document management systems. For added flexibility and convenience, the optional A4 (DS-5500) and A3 (DS-50000) flatbed scanners enable scanning of books, bound, and other media.

KEY FEATURES

- **Space saving**
  Compact design without compromise on engineering quality
- **Fast performance**
  Up to 70ppm/140ipm scanning at 200 or 300dpi colour
- **Flexible scanning**
  Scan passports and bound media up to 6mm in thickness
- **Control and security**
  Advanced paper handing with paper-protection sensors
- **High capacity**
  Heavy duty 120-sheet document feeder (ADF)
