Product Description

At last, the perfect dock for maximum productivity and compatibility has arrived. Innovatively engineered to support mixed computing environments with high transfer speed requirements, the Kensington SD5550T Thunderbolt™ 3 and USB-C Dual 4K Docking Station plugs into the power of one – one dock for more power, more bandwidth, and more compatibility. Optimize your productivity with one of the first docks to deliver the unrivaled transfer speeds of Thunderbolt 3 (up to 40Gbps) while also supporting USB-C laptops (up to 10Gbps). Ideal for hot-desking, 4K workspaces, video editing, graphic design, or content creation, the SD5550T provides more speed, more pixels, more power, and more possibilities.

Features

- Best For: Thunderbolt 3 and USB-C Laptops and Monitors that support up to dual 4K
- Connection Technology: Thunderbolt 3 & USB-C (Cross Platform Compatibility)
- Power Delivery: Supports USB-C PD 3.0 (60W of laptop charging)
