Aegis 100

High-Definition Body Cam with 32GB Built-in Memory

The Aegis 100 is the ultimate wearable security tech to take with you anywhere, recording at up to 1296p Super HD quality for crystal clear video. Utilizing a 140° wide-angle lens and 32GB of storage, the Aegis 100 can record for up to 9 hours on its 2700mAh battery. Easily review your footage on the 2" LCD screen. Utilizing infrared night vision and an LED flashlight, record up to 10 feet in front of you in total darkness. With unmatched durability and IP65 water resistance, it can withstand even the harshest weather conditions. Perfect to use professionally for security, police officers and other Military/LEO personnel, in interviews, for outdoor activities, as a nanny cam, or in meetings, let the Aegis 100 be the witness you need.

1296p High-Definition Recording

The Aegis 100 is a high-performance HD body cam recording at up to 1296p quality with a 140° wide-angle lens to capture all the important details in the field and provide key evidence when you need it the most.

Infrared Night Vision

Equipped with high intensity infrared LED lights to help you capture clear and reliable footage in up to 30 feet of pitch darkness.

Long Battery Life

Empowered with a built-in 2700mAh battery, allowing you to power ON for up to 9 hours.

Unmatched Durability & IP65 Water Resistance

IP65 water resistance protects against even the most extreme and harsh weather conditions.

Password Protected System

To ensure that files are not accidentally lost, password protection can be enabled, requiring a password to play back footage, change settings, and delete footage on a PC/Mac. Footage cannot be deleted on the device. Files can only be deleted on a PC/Mac after inputting the password, ensuring that recordings aren't lost or compromised.

Suitable for Multiple Usage Applications

Suitable for law enforcement, contractors, demonstrators, property managers, or security guards, record interactions with the public and gather evidence at the scene. You can even take this outdoors with you whether you're hiking or biking.
