

iSeries 2015-10 Eight Handgun Case

SKU: 3i-2015-10B-M

Description

The iSeries 2015-10 Eight Handgun Case is an injection molded, watertight case featuring a customized high density 2lb closed cell foam interior that accommodates eight handguns with designated slots for 24 magazines and other accessories. The insert is designed to be highly versatile, with removable plugs to change the handgun height and removable mag plugs to make room for larger accessories as needed.

The eight-handgun case features wheels and a pull handle for easy towing, and is a great transport solution for sport enthusiasts, law enforcement, and military personnel alike.

The 3i-2015-10B-M is comfortable and durable in transport and secure and stable in storage thanks to SKB's interlocking case design. With two padlockable eyelets, the 3i-2015-10B-M is completely secure.

SKB iSeries Injection Molded Mil-Standard Waterproof Cases are molded of ultra high-strength polypropylene copolymer resin, featuring a gasket-sealed, water and dust tight, submersible design (MIL-STD 810H) that is resistant to corrosion and impact damage. Standard features include a molded-in hinge, padlock loops, Trigger Latch® System, snap-down rubber over-molded cushion grip handle, automatic ambient pressure equalization valve (MIL-STD 810H), and resistance to UV, solvents, corrosion, fungus and impact damage (MIL-STD 810H).
