Logitech USB Headset Mono H570e

Enjoy clear audio on Teams calls with Logitech H570e, certified for Microsoft Teams. This USB headset provides better sound and effortless controls for enhanced communication and productivity. The lightweight design is made with a minimum of 45% post-consumer recycled plastic(1) in the plastic parts and a padded headband, offering all-day comfort.

WHAT'S IN THE BOX

- Headset with inline controller and USB-A connector
- User documentation

FEATURES

- Certified for Microsoft Teams: This USB headset features 2 noise- canceling microphones and a 30mm audio driver to ensure you can hear and be heard clearly in noisy open workspaces
- Effortless Controls for Better Productivity: The easy- to- use inline controls on this wired headset provide convenient access to volume, mute, call and Microsoft Teams features
- Call and Mute Status Indicators: LED lights on the computer headset controller provide a convenient visual cue for call and mute status
- USB Plug- and- Play: Connect to a PC or Mac via USB- A cable with no additional software required; reliable wired connection ensures uninterrupted use, eliminating concerns about low batteries
- Designed for Sustainability: This office headset with mic is made with a minimum of 45% post-consumer recycled plastic (1) in the plastic parts, plus replaceable earpads to extend product life
- Lightweight Comfort: The headset weighs a mere 89 grams and features leatherette ear pads, a padded headband, and a featherweight design for a comfortable fit that won't weigh you down
- Remote Management: Logitech Sync offers IT admins a secure and scalable approach to remotely manage and update each work headset; requires Logi Tune (2) downloaded on individual laptops
- Customize the Experience: Customize audio settings with Logi Tune (2); adjust sidetone and mic level, enable anti- startle protection, and more

(1) Excludes electronic (EE) components, cables, and packaging.
(2) Logi Tune is available on Windows and macOS. Download Logi Tune at logitech.com/tune
(3) USB connectivity varies by product version
