

Mini DisplayPort to HDMI VGA Adapter - 4K 60Hz

Product ID: MDP2VGAHD20

This Mini DisplayPort to HDMI VGA adapter offers a portable solution for connecting your Mini DP (or Thunderbolt 2™) laptop to a VGA or HDMI display. The adapter supports High Dynamic Range (HDR) and provides sharper images with enhanced video.

Two-in-One Video Connectivity with Travel in Mind

Avoid the hassle of carrying different adapters, with a 2-in-1 mDP monitor adapter. Featuring both VGA and HDMI outputs, you can conveniently connect your laptop to any HDMI or VGA-equipped display, using this multiport video converter.

With its small footprint and lightweight design, the travel adapter fits easily into your laptop bag, making it perfect for professionals on the go.

Astonishing 4K Picture Quality

The HDMI output on this Mini DisplayPort converter lets you harness the video capabilities that are built into your computer's mDP (or Thunderbolt 2) connection, delivering the astonishing quality of UHD to your 4K 60Hz HDMI display. Plus, the VGA output supports HD resolutions up to 1920 x 1080, ensuring you won't have to sacrifice picture quality when connected to a VGA monitor or projector.

With HDR support, you can enjoy lifelike images with increased contrast, brightness and colors and greater luminosity than standard digital imaging.

Hassle-Free Setup

Requiring no additional software or drivers to install, this Mini DP to HDMI VGA dongle offers a plug-and-play setup for a user-friendly experience.

MDP2VGAHD20 is backed by a 3-year StarTech.com warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

- Connect to virtually any HDMI and VGA display while traveling or in the office
- Output video to a secondary HDMI or VGA monitor
- Stream, view and edit 4K video on your HDMI display

Features

- Maximize your laptop's video compatibility with a 2-in-1 adapter: Mini DisplayPort™ to HDMI® or VGA
- Astonishing picture quality with UHD video resolutions up to 4K 60Hz
- Supports HDR for expanded contrast ratio and color accuracy
- Compact, lightweight adapter that you can easily carry in your laptop bag
