

HyperX Glass Skates

ELEVATE YOUR MOUSE, LOWER THE FRICTION

HyperX Glass Skates provide an instant upgrade to nearly any HyperX mouse¹. Standard skate material feels smooth, but micro-textures on the surface can create friction that impedes comfort and slows mouse movement. Glass skates offer a smooth polished surface with rounded edges that reduce resistance, enabling quick snappy movements and broad sweeping motions. HyperX Glass Skates elevate the experience of using a mouse while offering a more renewable material compared to traditional PTFE. With this simple upgrade, you can enjoy near-frictionless mouse movement whether you're gaming, streaming, or just casually browsing.

Key features

Elevate your game with smooth tempered glass

Experience smooth movement and agility without resistance when every moment counts. HyperX Glass Skates reduce friction, so every minute of movement is captured with precision.

Easily upgrade most HyperX mice

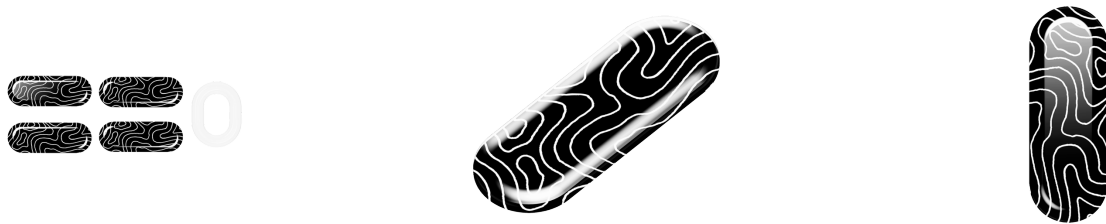

HyperX Glass Skates offer an easy upgrade for nearly every HyperX mouse¹. It has never been easier to upgrade your gaming experience without expensive hardware replacements.

Premium, renewable glass material

HyperX Glass Skates are made from premium renewable glass that offers a softer environmental footprint and easier recycling than traditional PTFE skates.

Pairs best with your cloth mouse pad

HyperX Glass Skates are made with a premium glass material that works best with soft mouse pad surfaces like cloth or fabric. Performance may be impacted on hard surfaces like metal or wood desk tops².

Product Names	Product name: HyperX Glass Skates
Product Numbers	Product number: 9A0Q9AA
Appearance	Product Primary Color: White
Compatibility	Compatibility statement: PC; HyperX Mice
Dimensions	Height (metric): 0.8 mm; Height (imperial): 0.03 in ; Width (metric): 7.7 mm; Width (imperial): 0.30 in ; Length (metric): 21.2 mm
Multimedia and input devices	Length (imperial): 0.83 in; Skate material: Uncoated, Tempered Glass; PTFE (center skate only)
Weight	Metric: 0.27 g; Imperial: .0005 lb
What is in the box	HyperX Glass Skates, PTFE Sensor Skate, Cleaning Wipe, QSG
Manufacturer Warranty	2 years
