

Pro Fit® Washable USB Keyboard

K64407US

Product Description

With more than 30 years of expertise designing peripherals for busy professionals, Kensington's Pro Fit Washable Keyboard is perfect for environments like schools or healthcare facilities. Whether you want to avoid damage caused by spilled coffee, soda or water, or you want to safely clean off germs and bacteria without damaging the internal components, this is the keyboard for you. With a rugged design that can also withstand drops and bumps, the keyboard can be immersed in water or sprayed under the faucet to get it completely clean.

Features

- Rugged waterproof and washable design resists spills and makes cleaning easy
- Can safely stand up to immersion or frequent use of spray cleaners (USB connector cannot get wet)
- Wired, reliable USB connectivity without the need for batteries
- Built to last with a limited lifetime warranty
- Full-size 104-key layout
- Compatible with Windows 10, 8.1, 8, 7 and Mac OS X 10.6 and later
- Black keyboard with 104-key layout
- Do not immerse the USB plug
