

FASTER, STREAMLINED PRINTING SOLUTIONS

imageCLASS LBP843Cx

**WORKHORSE PLUS RANGE
ADVANCE COLOUR LASER PRINTER**

New, advanced capabilities work to deliver stunning, rapid results and ongoing project security.

The imageCLASS LBP843Cx performs strongly as a single printing device for smaller offices or can be used to complement a large, existing fleet. With efficient A3 printing solutions, your documents will be kept secure, and advanced cost-tracking will give insight into how various departments are spending.

Rapid Print Speeds

Enhance productivity in the workplace with print speeds of 31ppm, and the first printout taking less than 10 seconds for A4, monochrome and colour jobs.

Versatile Paper Handling

Achieve stunning results thanks to a versatile system that allows for easy printing on a wide range of paper stock (plain to coated) for A3 to A5 paper sizes.

Reduce time spent refilling paper trays with a 2000 sheet input capacity as well as the standard 250 sheet cassette and 100 sheet multipurpose tray.

Energy Efficient

Standby and sleep modes deliver low power consumption, minimising environmental impact and making the imageCLASS LBP843Cx one of the most energy-efficient printers in its class.

Seamless Network Connectivity

With built-in Gigabit Ethernet connectivity, the imageCLASS LBP843Cx can be shared in the network environment. The widely-used PCL print language enables connectivity with a wide range of business applications.

Enhanced Capabilities

The imageCLASS LBP843Cx has some new features to help you further complete each project with ease. Secure print ensures print confidentiality while department ID cost tracking gives insight into overall spending.

For those where time is of the essence, simply print PDF, TIFF or JPEG files directly from a USB – no printer installation needed.

Customise workflows based on the needs of your business and individuals.

All-in-One Cartridge System

The All-in-One Cartridge 335E is compact, low maintenance and is compatible with high-yield toners (Cartridge 335) to ensure high-quality printouts at a lower cost-per-page.

Mobile Printing Solutions

Print and scan documents, photos, web pages and emails with one simple app* thanks to Canon's latest mobile business solution. (Canon PRINT Business)

* Printer must be connected to the same wireless network as the mobile device.
