

# aXtion Pro MPA for Surface Go

Antimicrobial healthcare grade, waterproof and rugged case featuring MagConnect compatibility and a built-in rotating module with hand strap and non-slip kickstand

SKU: CWM408MPA  
MSRP: \$199.99

The aXtion Pro MPA for Surface Go is specially designed to create a multi-purpose tablet solution for the healthcare industry. This military-grade certified and waterproof case is infused with IonPure®, an antimicrobial agent, to help prevent against bacteria and mold growth. This revolutionary case is compatible with medical-grade wipes to uphold the safety regulations of healthcare and hospital environments.

This fully enclosed case features ThermoDefend™, our new proprietary heat dissipating technology, to maintain device performance. The case easily latches to enclose the Surface Go and includes built-in antimicrobial screen and camera lens protectors. The built-in aXtion VESA MPA module includes the silicone hand strap, MagConnect plate, and rotating multi-angle kickstand. Designed for easy use, the kickstand can be rotated and adjusted to a wide range of angles and features a non-slip finish to guard surfaces against scratches.

- Compatible with Surface Go
- Infused with antimicrobial IonPure® agent to prevent against bacteria and mold growth
- Military-grade shockproof (MIL-STD-810G) and waterproof (IP-68) certified
