When you're having a marathon gaming session, you demand certain things from your mouse pad: lots of space and lots of comfort. You also need a surface that's smooth, reactive, and provides the most accuracy possible.

The CORE Gaming MouseMats are designed for precision and comfort, regardless of what you're using your mouse for. The modern yet unobtrusive Carbon Fiber pattern adds a unique, distinctive look, without screaming for your attention. The smooth, reactive surface covers a soft, comfortable pad that lets you work for hours. Less fatigue, more speed, and better control. And when you're on the move, just roll it up and throw it in your bag!
