Durable Vegan-leather exterior with contrasting trim and polished nickel fittings

Unique design features three separate top-zip compartments providing ample storage space

Matching clutch is ideal for personal items or cosmetics

Black - MEWVLB
Graphite - MEWVLG

SRP: \$129.99

The Verona is the ideal combination of fashion-inspired styling and real world functionality. This versatile tote functions well as a briefcase, laptop bag, purse and a travel bag. The stylish Verona is crafted from durable Vegan-leather with contrasting trim, polished nickel fittings and a Tartan cotton-twill lining. Our signature dual drop handles are flattened where they rest on your shoulder which make a loaded bag much more comfortable to carry. A matching clutch is included for miscellaneous accessories or cosmetics.

The Verona features three compartments with top zipper closures; one with padded poly-fur lined pockets for both your laptop and tablet, a second for file folders, documents or work papers, and a third for peripherals or travel accessories. Five zippered pockets provide secure storage for personal items. The integrated organizer features pockets for a Smartphone, flash drives, memory cards, pens, lipstick and business cards. Convenient exterior pockets on the front and back allow easy access to items you need quickly.
