

BLUE YETI X

Professional USB Microphone for Gaming, Streaming and Podcasting

RAISE YOUR VOICE.

The Blue Yeti X is a state-of-the-art flagship USB microphone for professional-level gaming, Twitch™ streaming, podcasting and YouTube™ productions. With an all-new four-capsule condenser array inside, Yeti X delivers legendary Blue broadcast microphone sound with greater focus and clarity than ever—in four versatile pickup patterns. An illuminated multi-function smart knob lets you monitor and adjust your voice level in real time, providing precise control over your audio stream. And, with Blue VO!CE*, you can make Yeti X sound the way you want using presets for crisp and modern, warm and vintage, classic radio voice, or make your own unique signature sound. Yeti X is the ultimate mic for today's creators.
