

MICROSOFT SURFACE™ PRO 4

SUPERIOR TABLET PROTECTION

The Cyclops case with stand protects tablets against drops and other impacts while simultaneously boasting an ultra slim and adaptable design. The user-friendly case guarantees convenience as well, as it is compatible with all angles of the Surface kickstand. In addition, a removable port cover enables seamless use with the Surface Type Cover Keyboard, while the case is still on.

● Stylus Slot

- The case features a designated slot for storing the Surface Pen.

● Dust/Moisture Filters

- High-quality waterproof mesh keeps out dust and moisture.

□ Overmolded TPE and Polycarbonate

- Polycarbonate and Thermo Plastic Elastomer (TPE) are fused together to provide outstanding protection against impacts.

● Surface Keyboard Compatibility

- Removing the port cover allows you to use the Surface Type Cover Keyboard, even while the case is on.

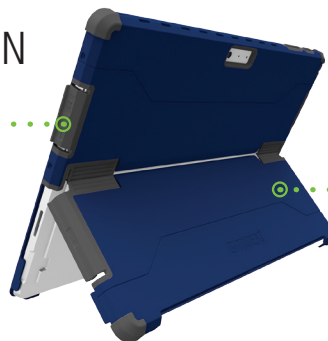

4FT DROP PROTECTION

● Port Protection

- The Microsoft Surface Accessories port and all other controls and ports are covered for protection from dirt and debris.

● Protective Lining

- Inner lining provides extra padding for your device.

- The user-friendly case is fully compatible with the Surface Tablet kickstand.
