# Lenovo H110 Gaming Headset

## Tournament-grade audio, minimalist design.

The Lenovo H110 Gaming Headset is the value-conscious gamers' ally. While sleek and light, its 50 mm drivers pack a punch and its omnidirectional microphone ensures your team never misses a command. Designed to deliver uncompromised comfort, its soft foam ear cups are wrapped in breathable leatherette to keep you cool and comfortable during marathon gaming sessions.

## Why you need Lenovo H110 Gaming Headset

### Unmatched audio quality

Immerse yourself in the details with high-end 50 mm drivers that deliver rich, realistic audio. Professionally tuned to perfection, the speakers can be controlled on-the-fly with the in-built volume wheel.

### Uninterrupted communication

When victory depends on communication, the incredible omnidirectional voice capturing microphone keeps you connected with our allies in real-time. Better yet, the swivel-to-store design of the microphone ensures it is easy to pack and protect when it is time to roll out. With the slide-to-mute button on the H110, you can go from live to radio silence effortlessly, too.

### Uncompromising comfort

Although light and minimal, the H110 does not compromise on comfort. You'll find the soft-padded ear cups with breathable leatherette never cause you distracting discomfort.
