Logitech®
LX3 Optical Mouse

Ultra-comfortable design. The Logitech® LX3's natural contoured shape and soft rubber grip provides all-day comfort—for ether hand. With this new, high-definition optical mouse from Logitech, you'll experience the benefit of a high-definition 1000 dpi optical sensor that is 2.5 times more responsive than standard optical mice. The tilt-wheel plus zoom lets you scroll horizontally and vertically and is perfect for zooming in and out of digital photos. With plug-and-play convenience, installation is simple. USB and PS/2. 5-year guarantee. Full product support.
