

Pro Fit™ Ergo KB675 EQ TKL Wired Keyboard

Part Number: K75497NA | UPC Code: 0 85896 00451 6

Sculpted
for comfort
and zero-lag
performance.

For professionals wanting to reduce the fatigue associated with spending long hours typing each day, the Pro Fit™ Ergo KB675 EQ TKL Wired Keyboard supports all-day comfort and style and zero-lag performance with style. The sculpted ergonomic design and curved key layout promotes proper hand and wrist posture, accommodating the natural contour of your hands to provide a more comfortable and productive typing experience. Customizable keys allow you to personalize your experience to facilitate more productive workflows and video conferencing keys support efficient meeting transitions. Complementing a modern workspace, the Pro Fit™ Ergo KB675 EQ TKL Wired Keyboard is an ideal choice for professionals seeking to elevate their typing experience with style, comfort, and performance.

Features include:

- Compact ergonomic design with curved key layout with built-in wrist pad and front legs
- Wired USB-A connection for zero lag
- Video conferencing keys for efficient meeting transitions
- 20 customizable keys
- Outer case and keycaps composed of 44% post-consumer recycled (PCR) content*
- 3-year limited warranty

*Excludes PCB Assembly.

Pro Fit™ Ergo KB675 EQ TKL Wired Keyboard

Part Number: K75497NA | UPC Code: 0 85896 00451 6

Ergonomic Design

The thoughtfully designed compact curved key layout, built-in wrist pad, and front keyboard legs support optimal hand and wrist positioning for all-day ergonomic comfort and productivity.

Reliable Wired Connection for Zero Latency Performance

Delivering high-speed performance in demanding environments, this keyboard features a wired USB-A connection that ensures zero lag – ensuring you can focus fully without the worries of battery life or signal dropouts.

Video Conferencing Keys

Dedicated video conferencing keys support efficient meeting transitions, offering quick access to mute, camera on/off, and screen share functions.

Customizable Keys

Customize your experience by programming up to 20 keys, assigning a dedicated shortcut to launch your preferred AI application, creating macros, adjusting key mappings, managing profiles, and more with our optional Kensington Konnect™ software.

Sustainability Attributes

The outer case and keycaps of this keyboard are composed of 44% post-consumer recycled (PCR) content and it is shipped in FSC® certified packaging.*

*Excludes PCB Assembly.
