

MY310 EQ Mouse – Midsize – Wireless

The more sustainable mid-size wireless mouse.

K72481WW

Product Description

Professionals often struggle with mouse-related productivity challenges, such as hand and wrist fatigue from long hours of use, lost wireless dongles, and cluttered workspaces from wired connections. The MY310 EQ Mouse addresses these challenges. Its mid-size ergonomic design supports the natural curvature of the hand to support all-day comfort, the built-in dongle storage ensures users waste no time when they need to connect, and the wireless connectivity helps maintain a tidy workspace. With plenty of productivity-enhancing features, and the thoughtful inclusion of recycled materials, the MY310 EQ Mouse is an ideal choice for busy professionals.

Features

- Includes 59% post-consumer recycled (PCR) plastic.*
*Excludes PCB assembly, rechargeable battery, and charging cable.
- Ergonomic design supports all day comfort.
- Responsive optical sensor provides smooth cursor control and precision tracking.
- 2.4GHz wireless connectivity offers secure and reliable connectivity.
- Clickable scroll wheel supports efficient scrolling.
- Back and forward navigation buttons reduce the time needed to complete browser related tasks.
- On/off switch and low battery indicator (batteries last up to 12 months under normal use).
- 2-year limited warranty.

Specifications

- **Compatibility** Windows 11
- **Features** EQ
- **AES Encrypted?** Yes
