

ModTek Hard Case

Item no: 216473

EAN Number: 7320282164737

The ModTek Hard Case provides unmatched protection, shielding your tablet from wear and tear in daily use. The design ensures seamless access to all existing buttons, ports, cameras and the screen of the tablet. Additionally, the finger wells provide a comfortable and ergonomic grip for a secure hold.

Equipped with shock absorbing springs it provides the ultimate device protection. The Hard Case has been drop-tested onto concrete from 1.8m. Direct USB-C access between the tablet and the Dock allows simultaneous rapid charging and high-speed data transfer.

A complete ModTek mounting solution consists of a ModTek Dock, Hard Case and your choice of Power Supply. Accessories such as our Lock Module and USB Hub are also available.

The ModTek System:

The ModTek System is the next generation of device mounting. The ModTek Hard Case provides unmatched protection, shielding your tablet from wear and tear while the ModTek Dock is universally compatible with all current and future ModTek Hard Cases ensuring longevity and reducing overall costs.

ModTek systems can be configured with different power and add-on options to meet your exact needs, then mounted to virtually any mounting arm or platform using the standard VESA or AMPS. Your investment into the Brodit ModTek system is designed to lower your total cost of ownership especially if you're mix and matching different tablets and when upgrading your tablets in the future.

Build your ModTek solution today! Chose your ModTek Dock, Hard Case and pick between three available Power Sources: Wall, Hardwired and Cig Plug adapter.
