HP LaserJet P3005 Printer series

Overview

Increase office efficiency with the powerful HP LaserJet P3005 series that delivers high-speed productivity. The simple and fast HP LaserJet P3005 series is ideal for document-intensive, small team environments requiring high-quality and low maintenance. The device allows businesses to operate more efficiently with an integrated networking capability that does not compromise performance or security. With an affordable purchase price, the printer's robust processor and expandable memory can handle large, complex files with ease.

Key Features and Benefits

- Increase office efficiency with monochrome printing speeds of up to 35 pages per minute (ppm) and an integrated networking capability

- Instant-on Technology ensures a fast first page out in as little as 9.5 seconds from Sleep mode

- Spend less time reloading paper with a maximum input capacity of 1,100 sheets[1]

- Print high-quality documents without sacrificing performance with HP ProRes 1200 (1200 x 1200 dpi)

- Handle complex jobs easily with a 400 MHz processor and up to 80 MB standard memory (expandable to 320 MB)

- Produce high quality prints on a variety of media types including envelopes, labels, cardstock and transparencies

- Expanded connectivity with hi-speed USB 2.0 port, EIO slot, and HP Jetdirect Fast Ethernet embedded print server

- HP's Universal Print Driver saves IT managers time and money by offering a single, full-featured driver that supports HP's entire line of new network printers

- HP delivers improved value through lower printing costs with the original HP LaserJet print cartridges designed specifically for the HP LaserJet P3005 series printer

- Reliable performance of Original HP LaserJet print cartridges and toner means lower costs of printing

- Interactive HP Smart printing technology sends alerts when supplies are low and facilitates simple reordering
