

Logitech Signature Slim K950 Wireless Keyboard

Switch typing between your computer, tablet and phone effortlessly with the Signature Slim keyboard K950, made with recycled plastic. Make work life magic with customization and shortcuts that keep you in control. Enjoy a familiar laptop-style keyboard feel that allows you to work even smarter with Logi Options+ App's custom shortcuts. Quiet typing gives you more focus, and less disturbance to others. Connect wirelessly with Bluetooth® or the included Logi Bolt USB receiver, and stay concentrated for longer with up to 36 months battery life.

FEATURES:

- Switch Typing Between Your Computer, Tablet or Phone: The Logitech Signature Slim Wireless Keyboard K950 lets you switch typing between three devices with a single tap – just like that
- Save Time Like Magic: Do more than you ever dreamed by using customizable keys with the Logi Options+ App; it's like magic (available on Windows and macOS)
- Enhance Your Space: A sleek and solidly built full-size wireless Bluetooth keyboard with familiar laptop-style typing; made with recycled plastic
- Quiet Typing: Conjure some focus time with quiet typing – others around you will appreciate your discreet, quiet keyboard
- Pair With Signature Mouse M650: The Signature Mouse M650 allows you to scroll through documents line by line, or fly effortlessly through long web pages with the SmartWheel

- Shortcuts for Work and Home: This computer keyboard features one-tap, out-of-the-box functions for work and home; play music, mute/unmute, use the snipping tool, control volume and more
- Works on Nearly Any Platform: Worry-free wireless connection to Windows, macOS, Chrome OS, Linux , iPadOS, iOS and Android; easily pair via Bluetooth or Logi Bolt
- Feel Good About Your Choice: Plastic parts in the Signature Slim keyboard include a minimum of 48% certified post-consumer recycled plastic; certified carbon neutral
