# HP 435 Multi-Device Wireless Mouse

## Everything Just Clicks

Work seamlessly with a versatile and customizable mouse that is responsibly made. Enhance your experience by connecting with up to two devices and moving content across operating systems. Be at your best with programmable buttons, ergonomic design, and battery life that lasts up to 24 months<sup>1</sup>. Plus, enjoy the freedom to work on most surfaces with HP Blue Optical sensor.

### Connect Across Multiple Devices

Now you can drag and drop anything across devices using one mouse. The cursor will move seamlessly between the screens, even between Windows® and macOS® operating systems. Also enjoy the freedom to connect to up to 2 devices with a USB-A nano dongle or Bluetooth®.

### Totally Customizable

Make everything quick, easy, and just how you like it by customizing<sup>2</sup> shortcuts using several applications<sup>3</sup>. Dial in all your preferences with 4 programmable buttons, adjustable wheel speed, and fast cursor tracking up to 4000 dpi.

### Responsibly Made

Aside from the comfortable design, this mouse will make you feel good about doing your part for the environment<sup>4</sup>.

### 2 Years, 1 Battery

Work uninterrupted for years with this amazingly efficient, incredibly long-lasting mouse. A single AA battery lasts up to 24 months with the smart power system.<sup>5</sup>

### Thoughtfully Designed

Work efficiently with a mouse that is comfortable and responsive. Whether you are a left-hander or right-hander, enjoy responsive clicks, thoughtfully designed buttons and scroll wheel.

### Drag this Mouse Anywhere

Find the freedom to work anywhere with a mouse that tracks on almost any surface. Blue Optical technology allows you to work even on marble.

1. Actual battery life will vary with use and environmental conditions, and will naturally decrease with time and usage.

2. Enabled through HP Accessory Center (HPAC) Software. HP Accessory Center (HPAC) software available for free download in Microsoft Store or Apple Store.

3. List of applications: SolidWorks, Windows Office, Sketchup, Adobe, AutoCAD, Zoom, MS Teams.

4. Mouse made with 77% post-consumer recycled plastic. Packaging made with 85% recycled paper.

5. Battery life based on 5 day week, 8 hours per day. Actual battery life will vary with use and environmental conditions, and will naturally decrease with time and usage.

## Specifications

### HP 435 Multi-Device Wireless Mouse

|                                |  |
