

ERGO M575S Wireless Trackball

Work in your comfort zone with Ergo M575S wireless trackball, certified by ergonomists for 25% less muscle strain in your forearm. (1) Move your cursor with smooth and precise thumb control, while a sculpted ergonomic design keeps your hand relaxed and forearm in a more natural posture. Now with quiet clicks.

WHAT'S IN THE BOX

- Wireless trackball mouse
- Logi Bolt Receiver
- Battery (1 x AA)
- Document

FEATURES

- **Less Movement, More Comfort:** The sculpted shape of the ERGO M575S wireless trackball mouse keeps your hand relaxed for hours of smooth, precise tracking with thumb control - now with quiet clicks
- **25% less muscle strain in your forearm (1):** This wireless ergonomic mouse has been developed with Logi Ergo Lab experts, user-tested and certified by ergonomists for all-day comfort
- **Improved forearm posture (1):** The ergonomic shape of the ERGO M575S supports your hand and realigns your forearm into a better posture throughout the day; a good fit for most hand sizes
- **Work it your way:** Experience enhanced control with 3 customizable buttons, time-saving shortcuts, and Smart Actions; adjust the cursor speed to your preference with the Logi Options+ App (2)
- **Save space with thumb control:** With the ERGO M575S, you can move your cursor without moving your hand, making it ideal for small or space-saving setups and for use on any surface
- **Easy to Connect, Long Battery Life:** Connect your ergonomic wireless mouse using Bluetooth or the included Logi Bolt USB receiver; enjoy up to 18 months of battery life (AA battery included) (3)
- **Made with recycled plastic:** The plastic parts in the ERGO M575S Bluetooth trackball mouse are made of certified post-consumer recycled plastic (Graphite: 52%, Off-White: 21%) (4)
- **Complete your setup:** Pair the ERGO M575S with the Wave Keys ergonomic keyboard, featuring a cushioned palm rest that places your hands, wrists, and forearms in a natural typing position

(1) Compared to a Logitech M650 mouse

(2) Requires Logi Options+ app, available for recent versions of Windows and macOS at logi.com/optionsplus.

(3) Battery life may vary based on user and computing conditions.

(4) Excludes plastic in printed wiring assembly, cables, and packaging.

(5) Sound level comparison between ERGO M575S and ERGO M575. Left click dBA measured by the Logitech internal lab at 1m.

(6) Device basic functions will be supported without additional drivers for operating systems other than Windows and macOS.
