

Silent Mice

Silent Wireless Blue LED Mice

Say goodbye to noise and hello to silence with the Verbatim Silent Mouse. Using new Silent Technology, silent click switches, and rubber covers, this Verbatim mouse is truly silent. The 2.4GHz wireless performance allows for lag-free cursor movement while the comfort-grip shape provides ease of use. Blue LED technology allows users to point and click on more surfaces than other mice – from a glass table to the granite kitchen counter! The mouse connects to the computer via a nano receiver, small enough to plug in and leave connected – great for computing on the go. Turn your noisy office into a place of tranquility – and enjoy the sound of silence. The Verbatim Silent Mouse is backed by a 1-Year Limited Warranty.

Features & Benefits

- Truly silent mouse featuring Silent Technology, silent click switches, and rubber covers
- 2.4Ghz wireless connection for lag-free performance
- Blue LED technology allows for use on virtually any surface with precision and control
- Ergonomic design and comfort grip for ease-of-use
- Plug-and-forget nano receiver connects mouse to computer
- Compatible with Mac and Windows platforms
- 1-year limited warranty
