Phaser® 3435
Black and White Laser Printer
High end features, suitably priced for your business

Our low cost Phaser® 3435 printer offers big business features such as built-in networking, automatic two-sided printing and plenty of expansion options. It's perfect for small businesses and work teams or even as a dedicated personal printer.

### Affordable, powerful business printer

- Rapid print speeds (33 ppm A4) keep pace with your growing business.
- Automatic two-sided printing makes it easy to reduce paper use.
- Never wait for pages; fast first page out in as fast as 8.5 seconds (15 seconds from sleep mode).
- Built-in networking helps you connect and print quickly.
- Heavy print volumes? An optional high-capacity print cartridge lets you print up to 10,000 pages per cartridge.

Flexible, space-saving design

- Small footprint helps save precious office space, since the Phaser 3435 takes up very little room on the desk.
- 250-sheet paper tray goes longer between refills; an optional paper tray lets you load an entire ream of paper (500 sheets) at one time.
- Ready for your network with support for Windows, Macintosh and Linux operating systems.

Engineered for quality

- 600 x 600 dpi, up to 1200 x 1200 enhanced image quality and PCL/ PostScript support gives you sharp, professional-looking documents.
- Heavy duty; supports big monthly print volumes.
- Handles complex documents without delays, thanks to standard 64 MB memory (expandable to 320 MB).
- 1 year on-site warranty.
