TROY MICR 806 Printers

HP AUTHORIZED - TROY ENHANCED

TROY Exclusive Security Features

3-Position Printer Key Locks and Paper Tray Locks

Most businesses locate the workgroup printer in an open office environment. This creates a security risk. TROY offers MICR locks and paper tray locks to reduce the risk of check stock theft and printer misuse.
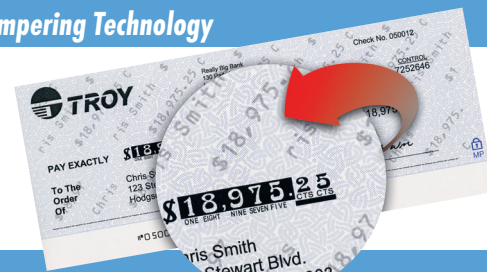

Standard on TROY MICR 806 Secure & Secure Ex
Optional on MICR 806 printers

Exclusive TROYmark™ Intelligent Anti-tampering Technology

TROYmark™ is a watermark of user-defined variable data, printed diagonally across each check. It provides state-of-the-art deterrence of fraudulent check alteration.
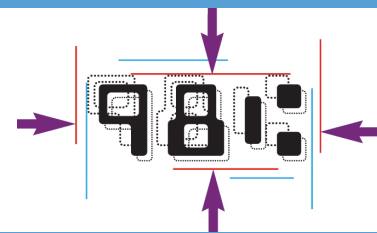

Standard on TROY MICR 806 Secure Ex

ExPT™ Exact Positioning Technology

A MICR line out of alignment is one cause of rejected checks, a multimillion dollar problem for banks and companies. ExPT™ allows users to precisely adjust the MICR line without affecting the data file.

Available on all TROY MICR 806

Built-in Secure Encryption and Decryption

Data security is critical in a distributed printing application. TROY's encryption/decryption technology "unlocks" and prints the data only when it is received at the TROY printer.

Available on TROY MICR 806 Secure and Secure Ex printers.

Major Selling Points

- **Three Model Choices**
  Providing security to fit your need.

- **Production Workgroup Printing**
  Boost productivity for every workgroup. Even the biggest jobs print easily and fast, thanks to extra large input capacity and versatile paper handling options.

- **Versatile Supply Options**
  Help protect your printer investment across the enterprise. Easily upgrade and add new capabilities as your needs change. Gain high efficiency for the long term.

Complete the Solution

- **TROY Checkwriting Software** - Compatible with most financial software systems, this software merges accounting information with preconfigured electronic check templates and prints checks exactly how you want onto blank security check paper.
- **TROY MICR Security Toner** - A patented formula helps deter fraudulent alteration by releasing a red dye when chemical removal of toner is attempted with a solvent.
- **TROY MICR Toner** - In new OEM cartridges, this high quality MICR will not void manufacturer's warranty.
- **TROY Check Paper** - With a full selection of stock to choose from, TROY can be your one stop solution for all of your check printing needs.
