

Neoprene Camo Sleeve

This camo stands out

Sumo neoprene sleeves are hip urban designs that look cool and protect your computer. Sumo himself inspired our camo pattern. Random patterns of our logo provide an edgy camouflage that will make your laptop stand out in a crowd. Sumo is a San Francisco original.

- Soft, durable and water-resistant Neoprene protects and cushions your notebook
- Small enough to fit inside your regular carrying case, but tough enough to use by itself
- Simple overlapping flap design allows easy access to your laptop
- Cool and hip Sumo Camo pattern in three colors available in three colors and four sizes
- Checkpoint Friendly - Can be passed through airport security without removing your laptop
