

104 EcoTank 4-colour Multipack

Get the best results from your EcoTank printer with these genuine, affordable, mess-free ink bottles. The perfect solution in ultra-low-cost printing, one set of bottles delivers thousands of prints, and they're available in multipack or single bottles so you only need to replace the colour you need.

Take the stress out of printing with the four-colour 104 ink series. It's designed to give you a hassle-free, ultra-low-cost and mess-free solution for everyday printing. From one set of ink, you can produce thousands of pages without having to change a cartridge. When a refill is finally due, it's easy and mess-free thanks to the re-engineered bottles.

Everyday printing

Whether you're printing off school homework or flight tickets, this ink series with four-colour dye inks provides a reliable, hassle-free solution.

Slash ink costs

Looking for an ultra-low-cost printing solution? From the first set of ink included with the printer, you could save 90% on ink costs on average*. It's not only affordable, it's impressive how many pages just one set can produce - up to 4,500 pages in black and 7,500 in colour*.

Specially engineered for ease of use

Epson's ink bottles are easier to use than ever before with the next generation design. The re-engineered bottles provide mess-free refills, and only allow the correct colour to be inserted into the corresponding tank.

The genuine article

Enjoy hassle-free and reliable printing with Epson's genuine inks. We invest in extensive research, high-tech manufacturing facilities and put our products through rigorous tests, to deliver the best quality product to you.
