Product Description

The SD4845P is an ideal docking station for Microsoft Surface users who require multiple monitors. A single USB-C cable provides a plug-and-play connection for up to three 1080p monitors, without the need for drivers, adapters, or dongles. The same cable keeps your laptop charged with 85W Power Delivery. With the SD4845P, you can connect your mouse, keyboard, and other USB-A accessories, all supported by ultra-fast 10 Gbps data transfer speed, so productivity is never compromised.
