

Kensington

F,WEBCAM STND 1080P 65 DEG FOV

A powerfully professional experience.

K81176WW

Product Description

Kensington's W2050 Pro 1080p Auto Focus Webcam adds the professional touch to today's video conferencing applications. Delivering crisp high-quality video (1080p @ 30fps), two omni-directional microphones for superior stereo sound, and unique features for enhanced video quality, camera placement, and low light imaging, the W2050 elevates your video conferencing experience. Be a part of Kensington's Professional Video Conferencing ecosystem—an elevated plug & play and customization experience that empowers you to spend more time collaborating and less time troubleshooting. Work from home or from the office knowing the W2050 will provide you with a powerfully professional experience—on Microsoft Teams, Google Meet, Zoom, and more.
