

Poly Rove R8 DECT Repeater

*Product image may differ from actual product

Expand securely

Enhance your Poly Rove DECT™ footprint with the Poly Rove R8 repeater. Built to extend the range of the Poly Rove base station to offer scalability without sacrificing security. Guard your most critical conversations with end-to-end encryption.

Wider reach, safer calls

Seamless conversations with end-to-end encryption, thanks to DECT™ technology, ensuring privacy from your handset to the base station to the repeater.

We grow with you

With Poly Rove R8 you can scale the number of handsets and bases to meet your organization's needs and shift sizes.

Featuring Effortless expansion

Reduce IT setup time with scalability through auto configuration on both single and dual cell base stations.

Get more range

Extended range, from up to 50 m/164 ft to 300 m/984 ft, depending on the environment, as a Rove R8 repeater is added.
