100-Word Product Description	Proudly display your headset with the ST100 RGB Premium Headset Stand, featuring premium aluminum construction and customizable RGB lighting. Built-in 3.5mm analog input enables full range stereo or 7.1 surround sound for an immersive, multi-channel audio experience. CUE software controls RGB lighting and audio settings, and syncs with other CORSAIR RGB devices via an intuitive and simple to use interface. Easy access, dual USB 3.1 inputs provide improved charging power and faster data speeds for your headset, phone, and other devices while the non-slip, rubberized base provides stability and protection for your desk.
