# HP B200 PC Mounting Bracket

Save Space, Effortlessly

Create a compact, efficient workspace with the HP B200 PC Mounting Bracket. Simply attach the bracket to the base of your select P G5 Series monitor and easily slide in your select HP Desktop Mini PC[1] for an optimized space-saving solution that doesn't interfere with port access or tilt adjustment.

Simply Maximize your Desk
Give yourself more room to work with the tool-less HP B200 PC Mounting Bracket. It's as simple as attaching the bracket to your monitor stand's base and inserting four thumb-screws.

Easy Access
Out of the way doesn't mean out of reach with this optimized bracket. Easily slide in your mini PC[1] and connecting devices like a mouse and keyboard is a breeze when the ports are right below your monitor stand.

Free to Adjust
Since the bracket is attached at the stand base, you can adjust your monitor's tilt freely, to find your perfect, comfortable view.
