4XEM Nylon Braided USB-C to C 40 Gigabit 120CM/1.2M Cable

4XEM Part- 4XUSB40GBRD120CM

Looking for a high-quality USB-C to C cable that can handle all your data transfer and charging needs including compatibility with the new iPhone 15, 15 Plus, 15 Pro and 15 Pro Max? Look no further than the 4XEM Nylon Braided USB Type C to Type C 40 Gigabit Cable. This cable is built to last, with a durable nylon braided exterior that can withstand even the toughest wear and tear.

But what really sets this cable apart is its incredible speed. With 40 gigabit transfer speeds, and being E-marked for 100W of power, it's one of the fastest USB-C to C cables on the market. That means lightning-fast data transfers and ultra-quick charging times, so you can get back to using your devices in no time.

Whether you're a power user who needs the fastest possible speeds, or just someone who wants a reliable cable that won't let you down, the 4XEM Nylon Braided USB-C to C 40 Gigabit Cable is the perfect choice. So why wait? Get yours today and experience the ultimate in USB-C to C connectivity!
