

Logitech Signature Comfort Plus M850 L (Black)

Meet Signature Comfort Plus M850 L: Logitech's first mouse with a palm cushion for a soft spot beneath your hand. Enjoy cozy side grips, quiet clicks, SmartWheel scrolling, and effortless Bluetooth pairing. Connect wirelessly and seamlessly to Windows, macOS, Chrome OS, Linux, iPadOS, and Android, and enjoy up to 24 months of battery life.

Features:

- Logitech's first mouse with palm cushion: The built-in palm cushion on the contoured mouse gives you a comfy spot for your hand making long hours of work feel a little more comfortable
- Feel a natural, confident fit: Shaped for right-handed users with most hand sizes, this comfortable mouse with cozy side grips helps you stay relaxed and in control, hour after hour
- Scroll faster, stay focused: Scroll line by line or fly through pages with SmartWheel; quiet clicks reduce noise in shared or home offices
- Make it yours: Customizable buttons via Logi Options+ adapt to your tasks and help you do more; in the app you can boost productivity across apps, adjust DPI levels and personalize your workflow.
- Simple connections: Connect this multi-device mouse with Bluetooth pairing, then swap up to 3 devices instantly with Easy-Switch—just a tap, no dongle needed; perfect for multitasking
- Power that just keeps going: Logitech Signature Comfort M850 L wireless Bluetooth mouse stays powered up for up to 24 months—no constant battery changes
- Works on nearly any platform: Compatible with Windows, macOS, Chrome OS, Linux, iPadOS and Android; one mouse for all your devices and desk setups
- Designed for sustainability: The plastic parts of Signature Comfort Plus M850 L are made with a minimum of 49% post-consumer recycled plastic
