IDEAPAD

IdeaPad Slim 5x (13", 15", 11)

The smarter choice for mobility.

Carry massive power without the weight. Just 14.3 mm thin and 1.2 kg light, this durable recycled-aluminum laptop slips easily into your day while staying tough. Snapdragon® X2 Plus processor enable Copilot+ PC features that work smarter and faster. A vivid display and up to 21 hours of battery life keep you going anywhere.

Where power meets possibility

Get the battery life you need, combined with advanced speeds to tackle anything you throw at it. Designed to be your daily driver PC, it handles your frequently used productivity and collaboration workflows and accelerates them with AI. All while ensuring you never have to worry about performance drops or finding a charge.

Ultra-portable, built to last

Sleek strength in a small frame. At just 14.3 mm thin and 1.19 kg light, Slim 5x slips into a bag, then stands up to daily knocks with a metal chassis featuring recycled aluminum and MIL-STD-810H testing. Essential ports are built in: two USB-A, two USB-C, HDMI, audio jack, and microSD, so you can plug in, present, and create wherever you go.

Power and performance when unplugged

Stay in the zone, no outlet required. Snapdragon® X2 Plus keeps your laptop running - same speed, same power - whether you're plugged in or cramming at a local café. No "low power mode" drama. Just all-day battery life with the same plugged in performance.

All-day power in a small frame

Stay unplugged longer with a battery that keeps up wherever life takes you. Watch up to 21.4 hours of video playback for travel, study, or downtime, and when it's time to recharge, Rapid Charge Boost delivers two more hours of use in just 15 minutes.

Copilot+ PC: AI that travels with you

With Snapdragon® X2 Plus processor, Copilot+ PC brings AI wherever you go. Recall instantly rediscovers files and sites, Cocreator turns sketches or text into images, and Live Captions translates 40+ languages on the fly—helping you create, learn, and connect without limits.

- Windows 11 for ARM
- Lenovo Vantage
- Microsoft 365 (Trial)
- McAfee® LiveSafe™
- Dolby Audio®
- Adobe Express Premium (Trial)

NOTABLE MENTIONS

Standard
- ENERGY STAR® 9.0
- EPEAT® Gold Registered in the US
- MIL-STD-810H Military Test Passed

Optional
- Premium Care Plus
- CO_2 Offset Services
- Lenovo Smart Performance
- Lenovo Smart Lock

IN-BOX

Optional
- Lenovo WL310 Bluetooth® Silent Mouse

[1] All battery life claims are approximate to the half hour and based on two methods of testing: MobileMark® 2030 battery life benchmark @ 250 nits brightness and continuous 1080p video playback @ 150 nits brightness on the latest update of Windows 11. Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use. Rapid Charge is only available on the 60WHr version battery.

[2] Height is calculated using T2 measurements and should be considered 'as thin as'.

[3] The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, may be slower than a speed of 10Gbit/s.

LENOVO SERVICES

Lenovo Premium Care Plus
Lenovo Premium Care Plus is the ultimate PC support experience with you as our priority 24/7. Enjoy personalized hardware and software support from a global network of elite technicians, along with accidental damage protection, fast repairs with onsite support, extended battery warranty, data migration assistance, and smart performance solutions that optimize PC performance and security.

Lenovo Smart Performance
Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

Lenovo Accidental Damage Protection
Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

Lenovo CO_2 Offset Services*
Offset the carbon emissions of your PC with Lenovo CO_2 Offset Services – an easy and transparent solution to offset emissions across the average lifecycle of your device. These offsets are invested in UN-approved initiatives like renewable energy or ecological projects, thus contributing towards a more sustainable future.

Lenovo Sealed Battery Warranty
Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

Lenovo Warranty Extensions (Up to 3 Years Duration)
Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.

* Optional.
