

Logitech Zone Vibe Pro Noise-Canceling Wireless Over-Ear Headphones, Adaptive ANC, Built-in Mic, 66-Hour Playtime, Graphite

Zone Vibe Pro - versatile headphones for all the moments of your life. Move effortlessly from calls to music, from midday meetings to relaxing evenings at home. Deep, rich 40 mm drivers deliver strong bass with low distortion. Need to jump on a call? Control your environment with adaptive noise canceling while AI-powered mics isolate your voice from background sound so you're heard clearly by others. Keep going as long as you need to with up to 30-hour battery life (ANC on). Exquisitely comfortable and designed for sustainability, it's pure audio that fits your vibe.

FEATURES:

Pure sound, pro performance: These wireless headphones are designed to move with you throughout the day—from your morning commute to midday meetings to relaxing evenings at home

Communicate with confidence: Advanced noise cancellation creates a “sound bubble” around you that helps you hear and be heard more clearly

Premium audio: Your music, movies, and podcasts come to life with 40 mm speaker drivers engineered to deliver high-quality audio and strong bass with lower distortion

Listen in bliss: Flexible headset strap distributes pressure across your head while the dual-layer earpads gently cushion your ears for hours of comfort

Long battery life: Enjoy battery life that outlasts your playlist with up to 30 hours of play time (ANC on); plug in the USB-C cable and keep listening while you charge

Effortless switching: Connect and switch seamlessly between devices through multipoint Bluetooth, featuring a reliable wireless range up to 50 m (170 ft) away

Personalization: Customize audio experience and easily update product firmware to ensure a better user experience with Logi Tune

Made to last: Enjoy your bluetooth headphones for longer with easily replaceable parts like earpads and the headset strap; an optimized charging option helps extend battery lifespan

Designed for sustainability: The plastic parts of Zone Vibe Pro are made with a minimum of 29% post-consumer recycled plastic
