Product Description

Made from recycled water bottles, the 14" Eco-Friendly Laptop Sleeve carrying case not only helps protect laptops and tablets from scratches, bumps, and drops, it helps protect the planet. Perfect for most laptops and tablets up to 14 inches (see product specifications for sleeve dimensions). Exterior storage pockets keep accessories and adapters stowed and protected when not in use, while helping to avoid accidentally scratching or damaging the laptop. Adjustable shoulder strap and integrated handle offer multiple carry options. Premium zippers and stitching are built to last. Integrated ID holder, great for students and professionals alike. Two-year warranty.

Features

- Each 14" Eco-Friendly Laptop Sleeve is made from approximately five recycled water bottles otherwise destined for landfills or our oceans.
- Fleece-lined interior helps keep your laptop or tablet protected from scratches, bumps, and drops. Perfect for most laptops and tablets up to 14 inches (see product specifications for sleeve dimensions).
- Exterior storage pockets keep accessories and adapters stowed and protected when not in use, while helping to avoid accidentally scratching or damaging the laptop or tablet.
- Use the adjustable, removable shoulder strap, integrated handle, or slide the entire sleeve into a backpack, briefcase, or bag — you've got a host of carrying options.
- Built to last with premium materials including water-repellent material and high-quality zippers and stitching.
- Integrated ID holder helps easily identify and locate the owner if lost or misplaced. Great for students and professionals alike.
- Two-year warranty means you can rest assured knowing you're covered by Kensington.
