

ACTIVE STYLUS FOR IFP63 SERIES OF VIEWBOARD INTERACTIVE DISPLAYS | VB-PEN-201

Key **Features**

- FOSTERS SEAMLESS TEAMWORK: Multiple users can share the screen simultaneously with zero signal interference.
- COLOR-CODING MADE EASY: A quick shortcut button lets you cycle through four preset ViewSonic Ink colors, while a built-in LED light confirms your choice for effortless, real-time color-coding.
- PICK UP AND WRITE: Lift the stylus to launch your preferred drawing tools. Write-Away technology eliminates menu navigation so you can capture ideas the moment they strike.
- QUICKLY ACCESS DIGITAL TOOLS: Press and hold the stylus tip against the screen to open the TeamOne® shortcut menu for access to essential whiteboarding tools.

Product **Description**

Elevate your collaborative workflow with the VB-PEN-201 Active Stylus, designed exclusively for the IFP63 series of ViewBoard® interactive displays. This premium kit features two styluses and a side-mounting magnetic dock that charges the pens automatically. The moment you lift a stylus, the Write-Away feature triggers instantly, giving you immediate access to annotation tools. Designed for frictionless teamwork, the VP-PEN-201 allows multiple users to write simultaneously with without any signal interference. Plus, a built-in shortcut button lets you swap between four preset ViewSonic Ink colors on the fly, making it effortless to organize thoughts, highlight key data and drive engaging presentations.
