

WorkForce WF-2110W

DATASHEET / BROCHURE

The ideal single-function printer for the home office / small office, which features Wi-Fi and Ethernet connectivity and individual XL inks.

This single-function printer has a compact design and saves on desk space. It can be placed almost anywhere within a small office or home office environment, and is robust and durable for important business documents.

Compact and reliable

With this space-saving A4 single-function colour printer you won't need much desk space to use in the home office or small offices, and is optimised for office document printing.

Flexible connectivity

Print in whatever way best suits you with the WF-2110W. Print easily from your chosen device, whether that be desktop, laptop or smart device, using your home or office network connected via Wi-Fi or Ethernet. Alternatively, connect directly to your desktop or laptop via USB.

Economical printing

The WorkForce WF-2110W uses Epson's fast drying DURABrite Ultra ink for professional-quality business documents that are water, smudge and highlighter resistant. Cartridges are also available in XL size, helping to save further on costs, as users can print up to 2.5x more pages¹.

Mobile printing

With Epson's Smart Panel app you can control your printer from your device, printing documents, monitoring and troubleshooting².
