USB C Laptop Charger - 60W Power Delivery, 3x USB-A Fast Charge Ports - Universal Compact USB Type-C Desktop Charger/Power Adapter also for Phones/Tablets - USB IF/ETL Certified

Product ID: DCH1C3A

This USB C Power Delivery charger provides next-generation technology that can fast charge your USB Type-C phone, tablet, or laptop that requires up to 60W.

This USB-C desktop charger is compatible with a vast array of USB Type-C devices such as the MacBook Pro 13-inch, XPS 13, Surface Book 2 and Lenovo ThinkPad X1 Carbon.

While the USB Type-C power adapter is compatible with any USB-C Power Delivery device, it is recommended to use it with devices that require 60W or less for optimal charging performance.

The USB-C portable charger comes with multiple forms of protection for your devices such as over-temperature protection, over-current protection, over-voltage protection and short-circuit protection. The USB C wall charger is designed with durability in mind. Our extensive durability testing ensures that the USB PD charger can withstand the rigors of travel.

3 built in USB-A ports allow you to charge other devices at the same time as your USB-C device. Replace multiple chargers with a single charger that works will all your battery-powered devices.
