

PRO X TKL RAPID tenkeyless gaming keyboard with Magnetic Analog Switches

An advanced tenkeyless keyboard featuring magnetic-analog key switches and rapid trigger function, for precise control. Configure rapid trigger and switch travel on-the-fly, or use Logitech G HUB for precise adjustments. Customize your keyboard with KEYCONTROL and use game mode control key lock for uninterrupted play.

WHAT'S IN THE BOX

- WHAT'S IN THE BOX
- PRO X TKL RAPID tenkeyless gaming keyboard
- USB A to C Charging/data cable
- User documentation

FEATURES

- **Tournament-Grade Responsiveness and Precision:** The PRO X TKL RAPID Wired Gaming Keyboard features magnetic analog (Hall-Effect) switches, Rapid Trigger functionality, and actuation at 35g of force—fluid and highly reliable
- **React Instantly and Perform at Your Peak:** The Rapid Trigger mode on this PC gaming keyboard allows key reactivation without a full release—perfect for FPS games where every millisecond counts
- **Optimize for Your Play Style:** Achieve peak speed and accuracy with customizable actuation points and sensitivity; tailor each key's parameters in Logitech G HUB to gain a competitive edge (1)
- **Customize Every Keystroke:** With KEYCONTROL, gain total control of your TKL gaming keyboard; set specific commands and build multi-action combos across multiple layers, on every single key (1)
- **Illuminate Your Gaming Experience:** This RGB gaming keyboard synchronizes dynamically with music or on-screen action; personalize key colors with LIGHTSYNC RGB lighting and perfect your setup (1)
- **Designed With Pros, Engineered to Win:** Created with the world's best esports athletes, this rapid trigger keyboard enables you to perform at your peak and unlock your potential
- **Instantly Configure Rapid Trigger and Switch Travel:** With the FN key modes on the PRO X TKL RAPID, adjust actuation points and settings on the fly without needing software
- (1) Advanced features require Logitech G HUB Software; available for download online

1 Advanced features require Logitech G HUB Software available for download at logitech.com/ghub
