

WORKFORCE MOBILE LT FOR GALAXY S26 FE

Color: Black

Compatible Devices: S26 FE

SKU: 12-0821100

\$39.95

Product Details

The WorkForce Mobile LT delivers maximum protection for phones used in demanding environments. Its three-piece construction combines a rigid outer shell with TPE and TPU impact layers to provide multi-stage shock absorption. The raised bezel protects the display and camera, while low-profile tactile buttons preserve reliable operation and reduce snags.

A detachable holster includes a secure belt clip and integrated kickstand for hands-free viewing and flexible carry options. Pair WorkForce Mobile LT with an OuterFactor OnGuard screen protector for full device protection.

Ships in resealable Quick-Deploy Packaging — PVC zip bags that open fast, distribute easily, and eliminate the hassle of retail boxes or clamshells.
