Protective Case for iPhone 16 clear

Description

This iPhone protective case for the iPhone 16 by Delock reliably protects the smartphone from scratches and damage.

Premium materials and reliable protection

Crafted from **high-quality TPU** (thermoplastic polyurethane) and **durable polycarbonate (PC)**, this case offers a silky-soft texture with a comfortable grip. It's designed to **resist shocks**, **drops**, and **fingerprints**, ensuring **reliable protection**. With sturdy construction and precise cutouts, the case delivers maximum comfort and **robust protection against everyday wear and tear**, combining functionality with elegant design.

Seamless wireless charging without compromise

The Delock case for iPhone 16 is designed to **ensure** that **wireless charging works flawlessly,** even with the case on. The premium silicone and polycarbonate construction does not interfere with charging speed or connectivity to wireless chargers.
